

As Mathematicians we will..

Extend our knowledge of negative numbers by counting, comparing and calculating with them. Additionally, we will place a large focus on short multiplication and division. We will continue to practise our times tables regularly too.

Key Vocabulary

United Kingdom, Europe, Location, Place, Climate, Weather, Tourism, Human Geography, Physical Geography.

As Readers we will..

Be continuing to read the text, *There's a Boy in the Girls' Bathroom/Midnight Fox* and will use the text to answer comprehension questions and develop our skills of using inference to answer questions when there isn't a definitive answer.

As Geographers we will..

Use maps, atlases, globes and digital mapping to locate the countries and major cities of the United Kingdom and Europe. We will understand the difference between human and physical features of the different countries and will compare and contrast them. We will ask and answer geographically valid questions relating to the countries we are focusing on. Furthermore, we will learn about the variations in the weather and climate of the countries in question.

Year 5- Autumn 2 2024

What's the difference between me and EU?

As Scientists we will..

Gain an understanding of Earth and Space. We will describe the movement of the Earth, and other planets, relative to the Sun in the solar system. We will use the idea of the Earth's rotation to explain day and night and the apparent movement of the sun across the sky.

As Writers we will..

Focus on the story *Quest*, by Aaron Becker, before creating our own quest tale. We will also be exploring the imagery created by magical objects through poetry and investigating the themes of family and friendship.

In Jigsaw we will..

Explore the theme 'Celebrating Difference'.

In RE we will..

Explore the question 'How is belief expressed?'

In PE we will..

Participate in competitive games and focus on building our stamina.

In French we will..

Learn how to read, ask and talk about the date.

In the Arts we will..

We will be exploring the theme of music inspired by Earth and Space, making links with our Science topic. In our D&T lessons, we will be creating a structure for transportation linking to Geography and Science.

In Computing we will..

Have the opportunity to learn about how to create short videos. We will develop the skills of capturing, editing and manipulating video. During the lessons, we will reflect on the progress of we have made in creating videos.
