

AUTUMN 2 2024

In maths we have been learning to add and subtract two digit numbers

In our writing we have been learning about how to use different punctuation and sentence types.

In computing we have been learning how to take the perfect photograph using i pads.

In design and technology we designed and made a sleigh for Father Christmas.

We all made a promise for White Ribbon Day.

We signed our class promise and made individual promises on our hands.
