Thrive Mission Statement

Inspiring pupils to thrive in life

Thrive Values¹

Thrive Co-operative Learning Trust **understands thriving to mean learning**, and *learning* to mean **growing in knowledge, self-reliance and in responsibility towards others**. Achieving this will allow pupils and staff to **develop a sense of agency and co-agency**, which is the awareness that we are powerful and can affect change, that life is something to be grasped rather than something that happens, and that we have maximum impact when **we work together for the common good**. This sense of agency plays out at three scales as it affects the future of **the individual, their community (local and national), and their planet**.

To thrive, pupils and staff need **environments that are safe**, for **equality to be promoted and diversity to be celebrated**, and for **wellbeing to be valued, nurtured and supported**.

- Because the service we provide is crucial to each pupil's future life chances, we ensure that **we give all pupils the opportunity to thrive**, whatever their background or perceived abilities.
- Because our task is challenging **we all strive to grow and develop**, and we support each other in this and in developing a good work-life balance.
- Because thriving happens best where adults provide pupils with a consistency of approach, **we need people who will play their part for the greater good of the team**.
- Because we serve our local communities **we act as partners in the process of assisting our children to thrive** and will work cooperatively to see this happen.
- Because leadership is a privilege **we exercise leadership in an ethical manner** and commit ourselves to upholding [The Seven Principles of Public Life](#).
- Because we are facing a climate crisis **we will work towards being an environmentally sustainable organisation** and will develop pupil and staff participation in achieving this.
- Because we are funded with public money we will ensure that **we focus our resources on pupils and enable them to thrive**.

2 Introduction

The Trust is committed to ensuring equality of treatment and fairness in its day-to-day operation in line with the Equality Act 2010. To this end, the CEO and school managers will share via the school website.

¹ Thrive's values are directly descended from the [Co-operative Values](#)
