

4th Edition | 22nd March 2024 | Spring Term

## NEWSLETTER FOR OLDFLEET PRIMARY SCHOOL

### Dear Parents and Carers

We are delighted to share that we had 135 children in school on time every day this half term. The children coloured their Easter eggs each day and today received their prize to celebrate their brilliant attendance. We continue to be committed to supporting you to get your child into school, on time every day. Every moment in school matters if children are to develop essential skills to thrive in life.

We have lots for our children and families to look forward to in the summer term including mornings for parents to visit classrooms, trips and visits, Family Links workshops, Sports days, stay and read sessions and of course our Coffee and a Catch-up fareshare event every Friday morning. Our 'Dairy Dates' are at the end of the letter.

To support with planning of holidays, we have had requests for school holiday dates for the next academic year. We have included these in this newsletter. Please remember that we do not authorise holidays in term time and you may be fined.

Mrs Pearson is leaving us today for a new teaching role at Priory Primary School, another one of our Trust schools. We would like to wish Mrs Pearson well and thank her for all her hard work at Oldfleet over the last two years.

We look forward to welcoming the children back on Tuesday 9th April.

Thank you for your continued support, have a great Easter break with your children.

Julie White  
Head of School

## #belonging

We are thrilled with childrens improved attitude towards their attendance, they are motivated by our rewards; spinning the wheel in assembly; working as a class to receive gold tokens towards extra playtime and attending daily to receive a half termly prize. The attendance team are dedicated to supporting all families to have our children in school every day. After the Easter break the attendance team will be working with small groups of children to see how we can work together to improve their attendance.

The national target for attendance is 96%, in order for your child to have the best opportunity and chance for a successful education. **Well done for a final weeks average attendance of 96%!**

# Pupil Voice

## Junior Leadership Team

This term, the **JLT** have continued using their class notebook to gather their **class voice**.

The JLT have continued pushing the schools **Eco-challenges** including a bingo game and collecting plastic bottle tops.

*'We have helped develop new playground boxes and decided on monitors for each class to look after the new equipment.'*

- Lily, JLT

## Wellbeing Ambassadors

This term the **Wellbeing Ambassadors** have been working on an award called **Good Health and Mental Wellbeing**.

*'We have been practicing ways to relax that we have learnt in our new award we are working at'*

- Chloe, Wellbeing Ambassador

# Parent Voice

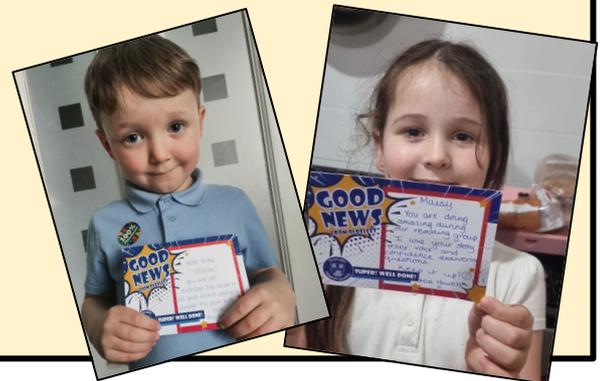

## We have listened...

To improve our communication with parents/carers and encouraging positive choices we have implemented the following :-

- Each week we have been sending out postcards to a child in each class we are proud of. This exciting delivering through the post is another way we are sharing with families how proud we are of our children at Oldfleet.
- Staff around the school are positively noticing our children. We are doing this by praising children for following our school rules of *ready, respectful, safe*.

Please tell us how we can improve communication further, if you have more ideas do let us know.
