

# SPRING 1 2025

We are focusing on decimals to three decimal points and how they relate to fractions.

In writing, we are beginning to edit and improve our own work.

Barn Owls are focusing on building their reading stamina. This will allow us to fully understand the text in order to infer, retrieve, predict and summarise.

We have studied the music of South America. Barn Owls have rehearsed, performed and composed music in the style of Samba.

During Children's Mental Health Week, Barn Owls discussed ways to combat stress and anxiety. We made these beautiful peace gardens.

# Y6 BARN OWLS
