

AUTUMN 2 2024

In maths we have been looking at the 3, 6 and 9 times tables and how they relate to each other. We then used this knowledge to help us solve word problems.

We have been writing moral stories, inspired by Amazing Grace. We explored how characters' choices teach important morals, like believing in yourself and persevering through challenges.

At the end of each day, we have enjoyed listening to the story The Queens Nose. What would you wish for if you had a magic 50p coin?

In geography we had a debate about the pros and cons of deforestation. We had to speak clearly so others could hear our points of view.

We ended Autumn 2 with a Polar Express day. We wrote character descriptions, made predictions about what would happen next, watched and then reviewed the film. We were so comfy wearing our pj's and drinking hot hot hot chocolate!
