

AUTUMN 2 2024

In maths, we have learned all about right angles by making right angle finders and going on a hunt around the school.

In writing, we have developed our knowledge of quest stories. We started by going on a magical quest around the school to retrieve the Fairy Queen's crown.

Our reading book this half term was Katie Morag Delivers the Mail. We also read a selection of Katie Morag stories and even got to see some of the televised versions of the stories.

In DT, we completed our first cooking unit of the year and created fruit skewers. Yummy!!

In art, we have created a prehistoric clay pot in the style of the Beaker culture.
