

1st Edition - 24th October - Autumn Term

OLDFLEET PRIMARY SCHOOL NEWSLETTER

Dear Parents and Carers,

We have had a really positive start to the new school year. The children are responding well to our new behaviour policy and are loving the new rewards. A summary of the policy can be found on page 5 of this newsletter.

It's been wonderful to see so many of you in school and participating in our recent activities. Our 'Meet the Teacher' was a great success and Parent's consultations were attended well, giving you the opportunity to see your child's new classroom, meet key staff and discuss your child's progress. There have also been exhibitions showcasing the amazing work our children have been doing and our nursery library sessions have been set up to nurture a love of reading. Your support really helps us create a vibrant and happy learning community for our children.

We've had a great time recently with our two Halloween discos, which were a huge success! It was lovely to see everyone having fun, making friends, and enjoying the festivities together. Looking ahead to our next fundraising event, the Christmas Fayre is just around the corner, packed with activities that we know you and your children will love. We can't wait to see you there! Our fundraising so far has meant we have been able to buy rewards for behaviour, reading and also additional playground toys. Our next project is to improve our library so we can continue to develop a love of reading in our children.

Since we're not currently using X, each class have shared photos (Via Arbor) from this half term to show what they have been learning, these can also be found on the school website. We'd love to hear your thoughts on this and any ideas you have for how we can improve our communication with you.

Lastly, please take a moment to complete the parent survey included in this newsletter with the QR code and instructions. Your feedback is so important to us, and it helps us make our school even better.

Thank you for all your support, and we look forward to seeing you at our upcoming events next half term!

Mrs Vicky Mounsor
Headteacher

Reward Store...

The children are loving their reward store. They earn points for displaying positive behaviour choices and using their learning muscles. The Junior Leadership Team have created requests for items to go in the shop.

Another busy day at Oldfleet...

Moments Matter - Attendance Counts

Attendance continues to remain a high priority.

The Attendance Team have been conducting wellbeing visits to those children who have unexplained absences to support getting every child into school everyday.

Holidays during term time and unauthorised absences including arriving after registers close will be unauthorised and you are at risk of a fine. Ensure you contact the school office every day before 9:00am to explain your child's absence to avoid a fine.

Children have enjoyed our attendance incentive on a Friday, 'In to win' here are some of this half term winners - they are rewarded with more green stickers for their chart to spend in the Reward Store.

DIARY DATES

2024-2025

NOVEMBER

Mon 4th - Children return to school

BEHAVIOUR & RELATIONSHIP POLICY

WHAT WE DO AT OLDFLEET

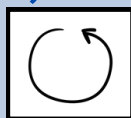

Our school rules...
Ready, Respectful, Safe

Back to learning... Reminder, Reset, Reflection

Sometimes you might need a reminder about one or more of our rules.

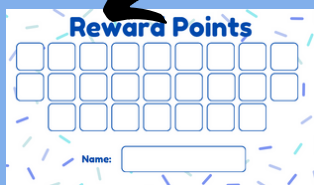

I can see that a reset will help you to follow my expectations and get you back to learning.

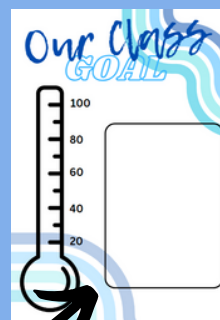

I can see that some reflection time will help. Lets talk about what has happened.

Reward Card...

Green stickers are given out for children showing us they are ready, respectful, safe or using their learning muscles.

Completed cards are then used in the Reward Store. As a class completed cards go together to reach the class goal.

Good behaviour and attitude...
