

Autumn 1 2024

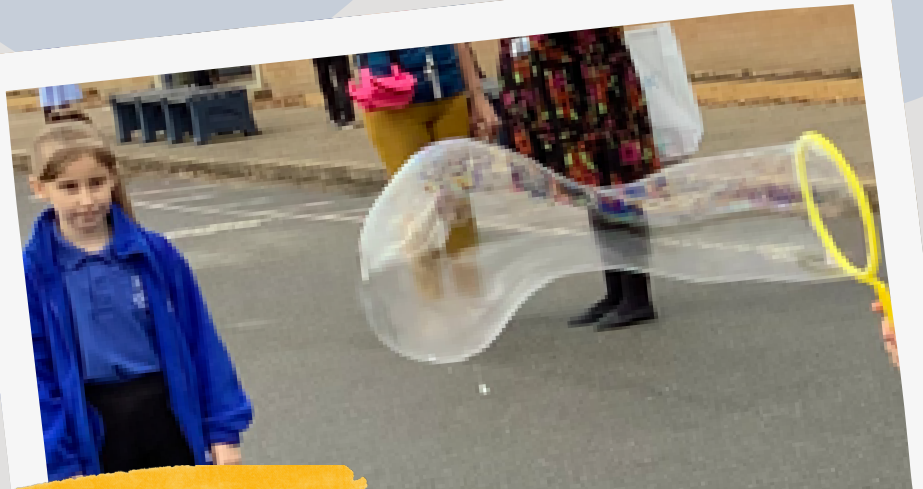

Year 4
Nightingales

Visit to Kneeshaw

We went on an adventure in a bubble, then wrote a story about it!

Writing

We are scientists, looking at digestion in the human body and investigated the functions of human teeth!

Music

Singing sessions with the Music service have taught us how important our posture is when we are singing!

Science

D & T

Researching different designs of bridges. We had a visit from Balfour Beatty. We designed and made our own bridge structure.
