

SPRING 1 2025

In maths we have been exploring addition and subtraction facts to 10. We use the part whole model to help us.

This half term we have used simple sentences to retell our own version of The Tiger who came to tea. We used a story map to help us retell the story.

We have been learning the story The Tiger who came to tea. We took on the role of the Tiger and used our imaginations answer questions when hot seated.

In PE we have been learning how to travel from one place to another using fundamental movements skills.

The Hedgehogs enjoyed learning about Christian worship and celebrations as part of World Religion Day.
